

AN ISO 9001 : 2008 CERTIFIED COMPANY

**Manufacturer & Exporter of Precision Brass Components And Brass Extrusion Rods**

**ARPIT  
INDUSTRIES**

We Focus on  
Innovation &  
Creativity

## About us

It is indeed with great pleasure we an ISO 9001 : 2008 certified company introduce ourselves as one of the leading and unvanquished manufacturer of all kind of Brass Precision Turned Components.

Company was established in 1984. Since then we are involved in this field, which sums up to our vast experience and consequently it helps us to cater our most valuable customers from around the globe with their varied demands.

Here at Arpit Industries, our focus is on being self-reliant right from obtaining the brass rod from raw material to the finished product and therefore we have extrusion plant and manufacturing unit under same roof to have better control on what we serve.

## Our Mission

Guided by relentless focus, we will constantly strive to implement the critical initiatives required to achieve our vision. In doing this, we will deliver operational excellence in every corner of the company and meet or exceed our commitments to the many companies we serve. All of our long-term strategies and short-term actions will be molded by a set of core values that are shared by each and every associate.

## Our Vision

“Arpit Industries’ Vision is to be the most respected and successful enterprise, delighting the customers with the wide range of products and solution in Brass Industry with best people and best technologies”.

## Overview

- ✦ Foreseeing the challenges early on, Arpit Industries adopted a mix of manufacturing strategies to ensure unfettered growth.
- ✦ Our built-up carpet area for extrusion rod manufacturing is 20,000 sq ft and for component manufacturing is 10,000 sq ft which itself defines the strength of the unit.
- ✦ Our manufacturing footprint covers the gamut of Brass Precision Turned Components.
- ✦ Arpit Industries’ current monthly extruded rod manufacturing capacity stands at over 300 tons.
- ✦ Our manpower is about 125 employees.

## Quality

### Quality Is Not An Act, It's A Habit"

At Arpit Industries, we relentlessly pursue superior quality in fact quality is our cynosure. Our design, manufacture, operation and maintenance services have been certified as **ISO 9001 : 2008 by TUV SUD.**

We are very successfully implementing Quality Management System (QMS) guidelines to promote ourselves on the basis of our quality.

### The Unit is Well Equipped with Ultra Modern Testing Equipments such as :

- ✦ Spectrometer (Made in Germany) for Material Composition Testing
- ✦ Model 193-6 Radiation Survey Meter (Made in US)
- ✦ Pyrometer
- ✦ Rockwell Hardness Tester
- ✦ Profile Projectors
- ✦ Mitutoyo Verniers & Micrometers
- ✦ All Types of Thread Gauges & Radius Gauges.

## Infrastructure

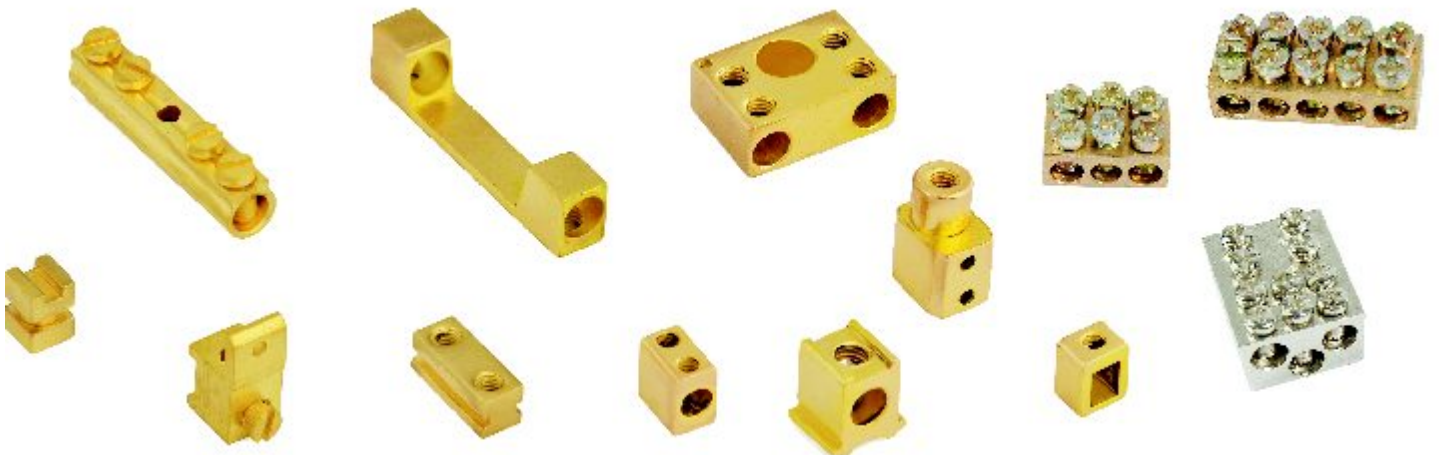

## Brass Neutral Links

## Brass Energy Meter Parts

## Brass Terminal Blocks

**Brass PPR & CPVC Inserts**

**Brass Nuts, Bolts & Screws**

**Brass Plug Pins**

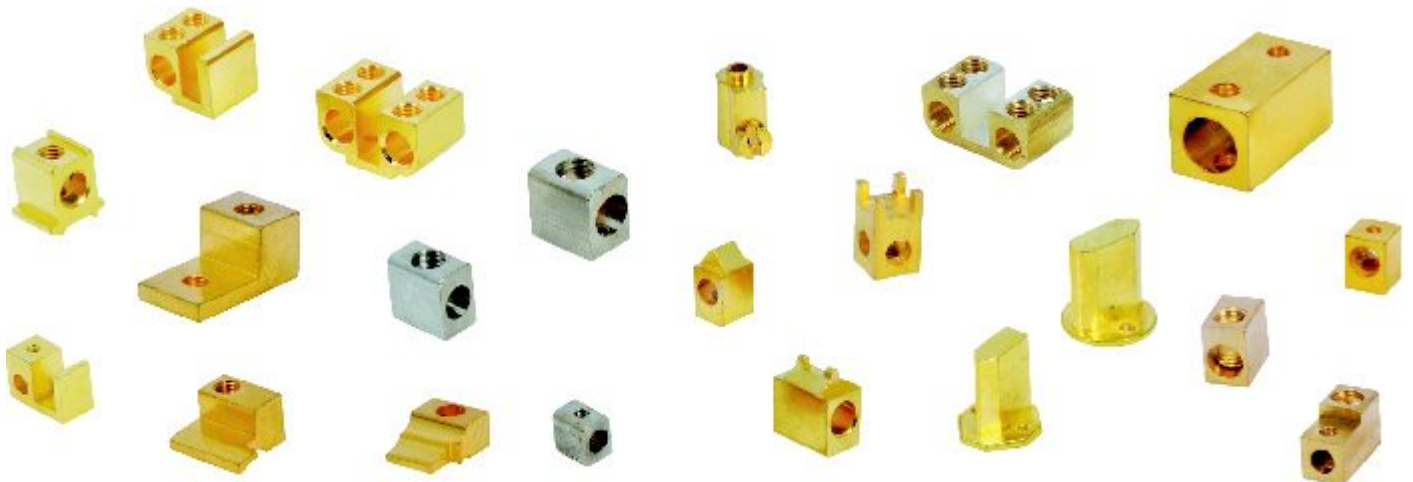

## Brass Precision Components

## Brass Turned Components

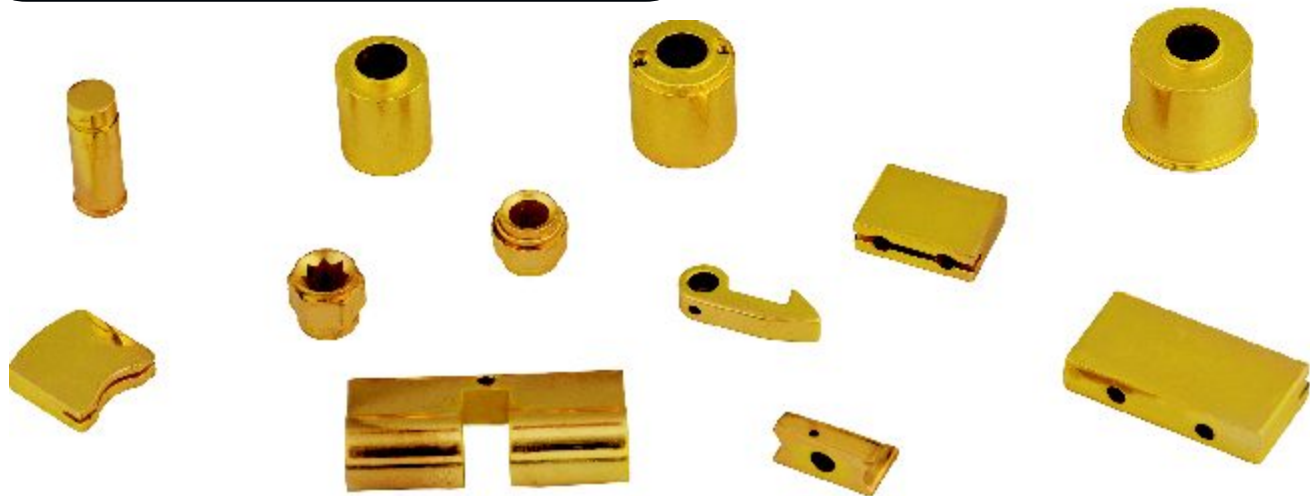

## Brass Electrical Components

## Brass Sanitary Fittings

## Brass Lock Parts

## Brass Extrusion Rods & Sections

## Our Product Range

- ❖ Brass Energy Meter Parts
- ❖ Brass Terminal Blocks
- ❖ Brass Plug Pins
- ❖ Brass Neutral Links
- ❖ Brass Precision Components
- ❖ Brass Turned Components
- ❖ Brass PPR & CPVC Inserts
- ❖ Brass Sanitary Fittings
- ❖ Brass Lock Parts
- ❖ Brass Screws
- ❖ Brass Nuts & Bolts
- ❖ Brass Extrusion Rods & Sections
